Horses gallop in from all sides rising in the air as they converge. The guy in the torn blue suit is whispering Please kill me. Verlaine rolls out of bed rubbing his eyes for the third time in two hours. The bleach-blond takes another pill and smiles sweetly. Billy flicks on the tv. The galloping horses meet in the air. Tears are streaming down... Television appears through the horses. No injuries except the screen has developed leaks where the boys put their cigarets out.
